To file your First Tithing Statement, use the reverse side of this form. Each year thereafter this Annual Tithing Statement form should be used. Be sure to carry forward to Line S the balance of tithing shown on previous statement (Line Z). Make certain that Line U represents the total of tithing receipts issued to you bearing a date within the period covered by this statement.

NOTE 1: If this is a New Start Statement, some adjustment should be made for those expenditures out of increase which represent intangible increase that have been made since your last statement. This will include expenditures for gifts, charity, all contributions to the church, pleasure travel, tuition, books and fees for higher education, recreation, entertainment, cultural pursuits, etc. One tenth of the estimated total of such expenditures should be entered on Line U.
